

Don't Miss **2005 - A Year To Remember**  
Create an Extraordinary New Year  
**Shift from resolutions to results**

How many Resolutions have you set for this year?

How many have you broken?

Resolutions don't work because they are dreams without a deadline.

**In this breakthrough seminar you will:**

Celebrate your 2004 achievements

Let go of any disappointments or beliefs that are holding you back

Get clear on what you want to create in 2005

Leave with a plan and daily tools you can sustain throughout the year

Learn a powerful way to make quantum leaps forward with more ease

**Sun January 16, 2005 1:00PM-5:00PM**

**\$57.00. or \$45.00 if paid by January 10th.**

**Limited space. Register now to reserve your place.**

**TESTIMONIALS:**

*"I attended your seminar in January. By October I had achieved 75% all my goals! I had the new home, a new job and the relationship I had always dreamed of. I can't wait to come and create my 2005!"*  
Ximena Salazar

*"You opened my eyes to new ways of goal setting that have altered the way I approach my days and helped me produce results with greater ease."*
